IMPORTANT! Tax Registration Information

Congratulations! You are now registered to operate a business in Washington. Your Unified Business Identifier (UBI) number shown above is also your Department of Revenue (DOR) tax registration number. Please refer to this number any time you contact us for assistance.

Filing Due Dates

Your taxes must be filed **annually**. Your tax return is due January 31 following the taxable period (e.g. January 1 through December 31 of the previous year). If you do not have business activity to report you must still file a tax return.

Based on your business open date, you must file the following returns (* denotes an extended due date):

<u>Return Period</u>	<u>Due Date</u>
Annual 2014	November 30, 2015*

How to file your return

- E-file on our website. Filing your state excise tax return electronically saves time and helps your business avoid penalties by calculating taxes due and flagging potential errors. To get started on E-file, go to dor.wa.gov. You will also need your Pre-assigned Access Code (PAC). This is printed below your UBI Number on the front page of this letter.
- Request a printed form. Call our Telephone Information Center at 1-800-647-7706 to request tax return forms using the automated system or speak to a tax representative.
- Download forms. Go to our website at dor.wa.gov.
